MEET THE MAKERS

It is not just enough to know about The Office Manager Solution. Today we present to you the makers: BISCOM TDIGITS LIMITED.

WHO WE ARE

BisCom Tdigits Limited, a Software as a Service-Provider (SaaS) vendor, was borne from the desire to automate everyday business processes and to play a vital role in the transformation of the approach of service delivery by organizations using world-class, cutting-edge applications development and delivery.

We aim to provide an enabling ICT environment to enhance process automation, to provide access to digital resources and to streamline the way organizations carry out their business.

Why To Trust Us?

- BisCom TDigits Limited, (www.biscomtdigits.com), is an indigenous software firm focused on the development and delivery of Enterprise Portal and mobile applications technology.
- BisCom TDigits Limited management team includes experienced executives, who between them have over 50 year's cumulative experience.
- Our team consists of highly skilled and experienced individuals in each of our core field of ICT service management.
- We are home-based and this eases communication gap with clients.
- Our services are accessible and affordable to suit all company sizes: whether small, medium or large scale.
- We have deployed cutting-edge solutions to both government and private organizations.
- We pride ourselves in the excellent delivery and customer service which we give to our clients.

Make us your work partner for improved productivity.
